The Dashboard Billet aluminum mounting hardware for your computer

For those of you who want to mount your ICO or Pacemaker computers with our without your Scotts Steering Stabilizer, this 6065 Aluminum Billet CNC machined mount will not only protect your expensive computer investment, but allow you to mount it easier and it's made to work in conjunction with the Stabilizer.

They are specifically machined to match the computer of your choice and even allows for the infrared connection for downloading to your printer or buddy's computer.

They are constructed, so in most cases, you can mount them to the forward 2 handlebar clamp bolts or in some cases depending on your other equipment on board, you might want to mount the dashboard on the riders side of your bars.

There are 3 versions to choose from:

- Dashboard 1 = For one ICO computer
- Dashboard 2 = For two ICO computers side by side
- Dashboard 3 = For the Pacemaker computer

Available in two colors: Aluminum or Aluminum.

You can order via phone, fax, email or website at www.scottsonline.com
